

IN HELL

Words and Music by Patrick Scheibe, Fabian Scheibe and Lars Nolte

Can't wake up, is it a nightmare?
Can't wake up, but it's not a nightmare!
My heart doesn't beat, I'm dead (and) I'm falling.
Dead I'm falling down to hell.

Yeah I see you in hell, it's a cool gamblers paradies.
Oh I see you in hell, and greetings from the devil I send.
Yeah I see you in hell, cause in heaven there's no place for me.
Its the real paradise, cause in hell, we are forever free.

Braindead, ... That's why I'm happy
Headshoot, ... I am happy
Kill me, it will be a gain
Kill me, cause in hell, there is no pain

Yeah I see you in hell, it's a cool gamblers paradies.
Oh I see you in hell, and greetings from the devil I send.
Yeah I see you in hell, cause in heaven there's no place for me.
Its the real paradise, cause in hell, we are forever free.
